

Revive your Business with BV

The new trend after pandemic

The global market is experiencing negative economic conditions ever since COVID-19 outbreak. Consumers from the hotel, catering, retail, large shopping malls to concerned about hygiene, health and safety. To restore the business, it is important to regain the trust of stakeholders by preventing potential risk and ensure the original business state under good health, safety and hygiene conditions.

As one of the global leaders of auditing and certification, Bureau Veritas has developed the customized solution of "Prevention Excellence Label" series solutions to meet the needs of economic sectors to restart their business. Organizations comply with 10 key standards and 50 audit standards of health and safety will obtain "Prevention Excellence" label from Bureau Veritas, to prove serious protective measures have been implemented in their business areas that ensure public's health and safety.
